

EAGLE ANNIE'S COTTAGE

DOG RULES

Hello Guest! I love dogs, and I would like to work with you to provide your canine with a retreat as well. But, I do have some rules. Please abide by them, and we will all have a wonderful experience! - Patti

- Your pet must be on meds for ticks and fleas.
- Please do not allow dogs on furniture, especially bed, arm chairs, and couches. This is because of pet allergies of other guests and members of my family.
- No dogs in bedroom.
- Please provide dog bed or crate for use in kitchen.
- I prefer guests do not allow dog in living room. A gate is provided to separate rooms.
- Do not leave dog unattended in cottage.
- Please use old towels provided to wipe off dog when entering the house.
- Please pick up any pet waste from the yard. There is a trash bin in the center of Blue Grass.
- The yard is not totally fenced in, so be sure your pet is leashed or under control so he/she doesn't go into the road or other yards.
- If any damages or flea infestation occurs, I will charge for damages and fumigation. I believe in the honor system. I like dogs and want this to work for everyone.

If you'd like to bring your dog, please contact Patti first at (540-474-3245)

Thanks!
